Unique Empowering Technology boosts productivity

Acer's Empowering Technology streamlines access to frequently-used functions so users can quickly and easily take advantage of the wide range of features available from Acer systems. For example, at the touch of a button ePower Management extends battery life by up to 20% over standard Windows® settings: a simple, no-cost way for your business to maximise mobile computing technology.

3 reasons to choose Acer

1. Convenience

We offer a comprehensive BuildYourOwn configurator to build your dream PC, saving you time, hassle and money.

2. Your Local Acer

All of our products are built and configured in a 1500m² ISO9002-certified local assembly plant. Employing local talent and with a capacity to assemble over 50,000 desktops and notebooks per month, Acer is committed to investing in the future of the Australian IT industry.

3. Service & Support

Authorised Acer Repair Centres throughout Australia adhere to rigorous set of policies and procedures, which ensures that customers always receive a timely and high-quality service.

Office Small Business Edition 2003 is the personal and business productivity solution for small businesses. Familiar, easy-to-use programs help you track customers and sales opportunities, create impressive sales and marketing materials, manage e-mail, and share information efficiently and securely.
